

# What do we do?

**Euroclear is a global and trusted provider of Financial Market Infrastructure (FMI) services.**

At the core, Euroclear provides settlement, safekeeping and servicing of domestic and cross-border securities, from bonds, equities and derivatives to investment funds.

We connect over 2,000 financial markets, and participants across the globe. As an open and resilient infrastructure

(service provider), we help clients cut through complexity, lower cost and mitigate risks.

Our multi-lingual, highly trained team of professionals based in Europe, Asia, the Middle East and the Americas are not only committed to providing personalised support but also in welcoming new staff members.

# Working together is winning together!

**At Euroclear, teamwork is at the heart of everything we do.**

To promote openness and communication we have open offices, flexible desks, co-creation areas, a collaborative online platform spread over 15 different locations and a casual dress code. But when you are working remotely, you can count on us for providing the

necessary materials needed for a well equipped and ergonomic home office.

We continuously strive to do things better but also inspire our people to make finance fun.
